

Dear Minister of Education,

TRANSFORM is coming. It will be on Saturday March 24, 2012 at CrossPoint Church, Tempe, AZ. I want to extend a personal invitation to you and your leaders.

If you are like me, it is your heart's desire that every teacher in your Sunday School taught God's Word in a way that see's people's lives transformed. That is goal of the Transform event. Transform is designed to lead teachers to understand what it means to have a Sunday School class with a central focus on seeing lives transformed through the teaching and ministry of the class.

We have gathered one of the finest faculties in the nation to train your leaders.

Your teachers will be led to understand that teaching is more than just sharing information and that a teacher uses all of his or her relationships with class members and others to seek to teach. Emphasis will be given to the meaning of transformational teaching, how to teach with the goal of transformation, practical methods that can be put to use in teaching, understanding how those they teach learn, planning and preparing to teach, class room dynamics, and other issues that help teachers teach for life change.

We will have a very large faculty for Transform. Your leaders will be able focus the entire time on the very narrow age segment they teach and will gain new insights, practical skills, and understandings they can put to work immediately. This conference is one that can have a huge impact on the teaching that takes place in your church.

I hope you and your leaders will join us for this very important training as we seek to see lives transformed through our Sunday Schools.

Sincerely,

Wayne Poling
